

STAY CONNECTED WITH YOUR SCHOOL

Get SZapp, your school in your pocket

SZapp delivers newsletters, alerts, calendar events, absentee notices and permission notes straight to your phone. It is free to use. Scan a code below to download, then follow the five steps to get set up.

Download the app

APPLE • IPHONE AND IPAD

App Store

Search **SZapp** in the App Store, or scan the code.

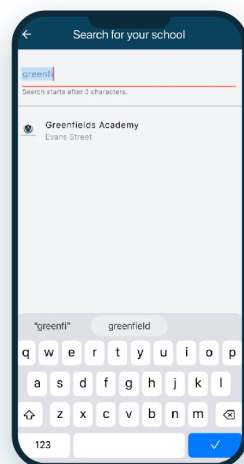

ANDROID PHONES AND TABLETS

Google Play

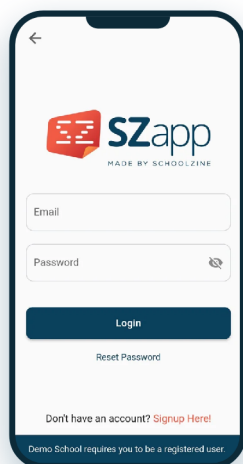

Search **SZapp** in the Play Store, or scan the code.

Set up in five easy steps

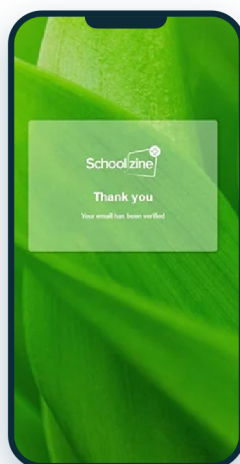

1 Find your school

Tap **Find My School**, search your school name and select it.

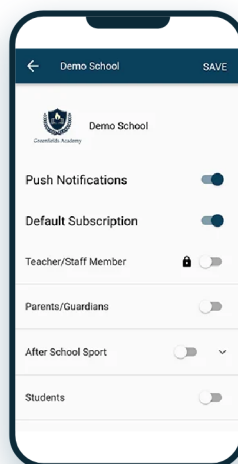

2 Register your details

Tap **Signup**, enter your email and a password, then log in.

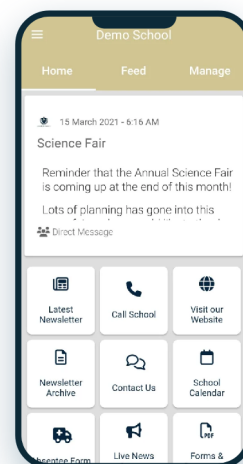

3 Verify your email

Open our email and click the link to confirm your account.

4 Choose your groups

Pick the groups you want updates from, then tap **Save**.

✓ You are all set

Tap **allow notifications** to get alerts, and start exploring.

GETTING AROUND

Three simple tabs

Home

Recent news and key information at a glance.

Feed

A summary of updates from the groups you follow.

Manage

Adjust your feed and notifications any time.
